[C]

4 5 3 2
You sing over me such sweet melodies
You are a lullaby for my weary soul

[V1]

4 3 5 5 (6)
When I rise in the morning, when I fall asleep at night
Even when I'm unaware, even when I don't care, You are there

Everything I do, I do with You
Everywhere, I go, I'm never alone

[V2]

If I soar to the highest heights of the sky, You are there with me
If I dive to the darkest depths of the sea, You are there with me

Everything I do, I do with You
Everywhere, I go, I'm never alone

[B]

4 3 5 5 (6)
Who may ascend, Your holy hill? no one
But then You sent Your Son, The One and only Jesus, and He died for us
And when He rose again, and covered all our sin, He gave us life
In eternity, we approach Your throne so boldly
